

Alhuda Academy

Arabic International Day

Join us for this exciting event
When: Friday, February 17
Time: 10:00 am -12:15 pm

Assalamualaikum Warahmatullah Wabarakatuhu

Please join us for Arabic International Day!!!

Four countries will be chosen, Egypt, Saudia Arabia, Lebanon, and Pakistan. We will separate students into groups. Each group will research about their chosen country and bring a poster with information about the country that they were assigned. The students must wear traditional clothes for that day, make flags for their country, and make one ethnic dish from their country. They must each write the recipe in Arabic. This project will be counted as an ARABIC TEST FOR THIS TERM. This project is for students in third grade to eighth grade.

Students in Pre-K3 to second grade must wear traditional clothes as well as bring something that connects to their country to show the other students. The Arabic teacher will help them explain. Students will make flags and some activities with the help of their Arabic teachers. They will go to the social hall to see the upper division's projects to learn about the four countries.

Jazkumallah Khairan for your help and cooperation.
