

# Alhuda Academy 2017-2018 Summer Reading

For Students Entering FIRST GRADE

Asalaamu Alaikum from Alhuda Academy. This is our Summer Reading Program. We have used the Worcester Public School system as a guide to create this program for students at Alhuda Academy.

Our intent is to nurture both the habits of good reading and the love of reading for the sake of reading. **Summer reading is required of our students.** The choice of what to read is up to parents and students. Please check to see if the book is islamically appropriate. Ask a librarian for help in locating the books.

## Parents can help!

It is very important to help your child understand summer reading can be both fun and beneficial. Children who have a habit of reading not only learn to be better readers but they also perform better in school and receive higher grades. Children in kindergarten and first grade should be read to on a daily basis.

## Tips to help your child enjoy reading:

### Set the PACE!

Lead by example. Let your child see YOU reading each day.

### Find a PLACE!

Provide a space in your home with lots of different reading materials like books, newspapers, magazines, travel brochures, a dictionary, and/or a thesaurus.

### Don't make it HARD!

Find time to read. Share a book with your children. Keep one with you in the car or your purse so that you can read and discuss while you are "out and about".

### Get a Library Card!

The library is full of FREE reading opportunities and offers a quiet, air conditioned place to share a book!
